

TOLEDO TECHNOLOGY ACADEMY
PARENT PARTNER MEETING MINUTES
THURSDAY, FEBRUARY 8, 2019 AT 6:00

Call to order: David Riethmiller, President

Topic: Marcus Bailey / Ethan Bonds fundraising Basketball game (TTA vs. TEC)

- The four schools involved in the fundraising are TTA, TEC, Navarre Elementary, & Old Orchard
- Marketing for the campaign will be done through Facebook, Website, Mobile App, PTO Meetings, and the joint TEC/ TTA Instagram page - TEC_TTA.charitygames. Media will be invited to the game, and a suggestion was made for a TPS press release.
- A letter will be emailed to the schools stating the details of the TPS (Marcus/Ethan) shirt fundraiser, why we think it is important, and how they can help. Shirts are \$15.00 each, available in both youth & adult sizes, the link to purchase is: (<https://marcusandethan.itemorder.com/sale>) deadline to purchase is 02/22/19. Also, included in the letter is information on how to donate for those who prefer to go that route.
- All four schools will use the same link to order the TPS (Marcus/ Ethan) shirts
 - First choose youth or adult
 - Select color – each school’s color is available – keep in mind when selecting, your child’s school may only let them wear their school color for dress down days.
 - Select the school your child is with
 - Write in homeroom # and/or homeroom teacher for shirt delivery
 - It will take about 2 wks. to print the shirts and up to 2 wks. to distribute them
 - The goal is to have the shirts in time to be worn to the March 22nd fundraising basketball game between TTA and TEC
- TEC will also be selling game shirts
 - The TTA shirts will be white with black print & TEC will be black with white print
 - The game shirts will be bundled for \$12.00 with the Marcus/Ethan wristbands.
- Other ways to raise money at the game
 - Minimum cost for entry \$5.00 at the door
 - Food items
 - Silent auction \$1.00 / ticket – Donated Gift Baskets
 - TEC will be working on collecting these prizes from local businesses and community sponsors
 - Parents can also put together & donate baskets
 - Baskets will be displayed with a description of contents & a small collection container for the tickets
 - Winning tickets will be drawn throughout the game (most popular basket last)
 - Half time shot contest \$1.00 / shot
 - High school ½ court – winner receives 1 ticket or food item (hot dog)
 - Elementary 3pt line – winner receives 1 ticket or food item (hot dog)
 - Pie in the face (teacher) \$1.00 / ticket
 - Teacher to be pied has the most tickets in their jar
 - Draw a ticket out of winning teacher’s jar to see who gets to pie the teacher (center court) elementary teachers during 1st game / high school teachers during 2nd game
 - One teacher from all four schools - one pied every quarter
 - Duct tape teacher with most tickets in their jar to the wall
 - Sell Marcus/Ethan wristbands for \$2.00 (1000 purchased, each school will be given some)
- Photo opportunity in between the games – Everyone on the court, sorted by shirt color in show of support for the boys – picture will be taken from the balcony
- The side gym will be off limits to everyone but the basketball players

SSOE – Day in the life of an engineer

- Date is April 22nd (date may change)
- 50 people at most for the tour
- 25 students – each student must be accompanied by one parent only (no siblings)
- This opportunity will be given to the seniors and juniors first, if the spots don't fill in a set amount of time then the sophomores will get a chance to fill the remaining spots.
- There will be a discussion with the students about the tour, proper attire, and expectations.
- A suggestion was made that interested students be given a form that a teacher, of their choice, will need to sign off on before they are accepted on this tour
- If things go well on this tour, we are hoping to make it a quarterly trip.

VEX Robotics 02/18/19

- Concession help request from 11:00 - 2:00. There will be about 30 schools here.

FIRST help:

- A request was made to reach out to Mr. Price about possibly helping with a snack or meal for the First team and mentors (Dana employees). These students and mentors (estimated 30 people) have been working late into the evening several days a week, trying to get their large robots ready for competition. The only opportunity to eat is between 5:00 and 5:30 and sometimes they are at the school as late as 9:00pm.
